

Thank you

Your faithful and loyal partnership during 2015 enabled us to register a total of 336,409 new converts.

Without your financial contributions, it is likely that these individuals would not have had the opportunity to hear about the love and forgiveness from sin, that Christ redeemed them from. But together we reached them and what a massive difference it has made to their daily life, with the promise of an eternity with Christ.

We appreciate your relationship and the trust that you have in our ability to effectively manage your investment, into the vision that the Lord placed on our hearts 33 years ago.

Over the last 33 years we have registered 11, 270,669 salvations for the Kingdom of God. However Africa has over 54% of her population living in rural conditions, with many places having no clean running water or any form of generated electric power. Community members try to survive off less that \$2 per day and are bound in spiritual darkness, seeking for answers to give them hope for a better life. We need to reach as many as possible.

Looking ahead into 2016, together we can make a difference in thousands of individuals. Reaching them with the good news of the Gospel and helping new converts to transform their thinking and behavior by equipping them, through our Christian Discipleship Program centers.

We thank you sincerely for your support.
