A Message For You

Looking back over the last quarter we are thankful for continuing to put our hope and trust in Jesus as individuals and as a team. Looking at the world around us our hearts sink as we see friends, families, communities and even nations divided over whom or what they have chosen to put their hope and trust in.

The prophet Jeremiah realized that the Lord was not just the God of Israel but was Lord over all the nations of the world. He was given a message by the Lord for Egypt and the other nations. He warned against relying on Pharaoh in spite of the fact that he was one of the most powerful people in the world. Those who trust in 'Pharaoh' are heading for trouble (Jeremiah 46:25).

Ultimately, it is the Lord alone who is our hope and in whom we should put our trust. In the natural, and especially in times of crises and change, it can be tempting to look inward for capacity and solutions, to Government for order and world peace, to economies for provision, to our calling or families for purpose, and while all of these things have their place, they cannot come before Jesus, they cannot become our idol.

The things we focus our attention on the things we worship and what we worship becomes our God...keep your focus on Christ, worship Him and Him alone!

We have been commissioned by Christ to go in His authority (not our own authority or even our own anointing) and to make disciples of every nation. If we are to walk in the fullness of this promise we need to keep our focus on the God who sent us, trusting the God whose authority we have been sent in and worshipping our Lord and Savior Jesus Christ for all that is achieved.

This quarter has seen us return to full gospel outreach activities in most countries, while still building on door-to-door and other forms of evangelism developed during COVID-19 lockdowns. We have seen God do incredible miracles as our teams worked through forgotten communities declaring the unfailing LOVE OF JESUS over them. We are also excited to be expanding our prison ministry into Tanzania, expecting great breakthrough in the prisons across the country. Celebrate with us as we worship God in thanks for all He has done through our teams and with the finances and prayers you have so faithfully blessed us with.

In worship of our King,

ISAAC & TERRI

2020 Overview

Decisions to follow Jesus 2020 to date

Gospel Outreaches: **85,446**

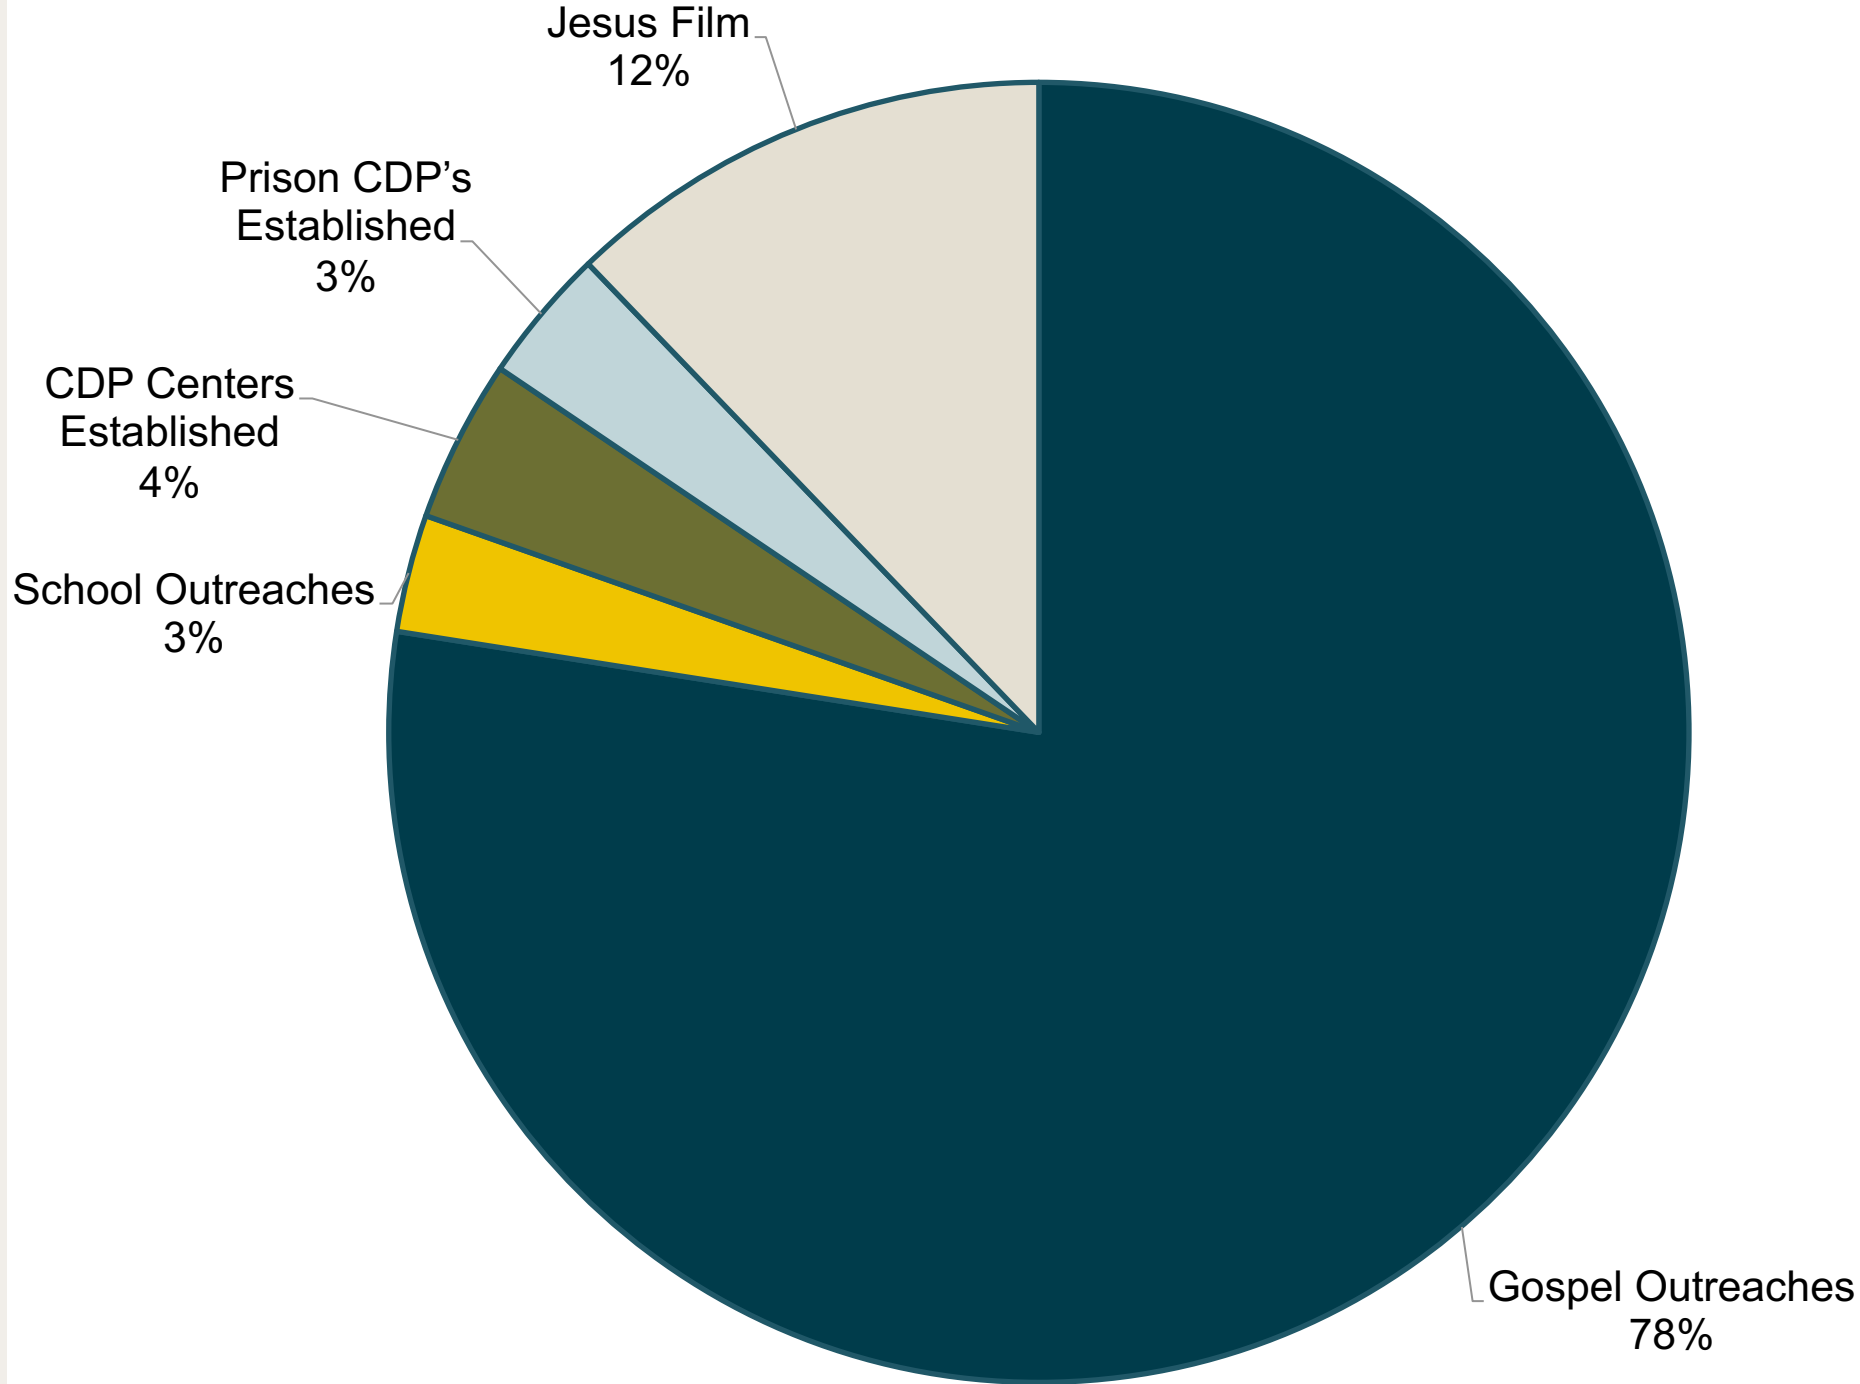

School Outreaches: **3,225**

CDP Teaching Centers Established: **4,461**

CDP Centers Established in Prisons: **3,701**

Jesus Film Screenings: **13,442**

Total: 110,275

Tanzania

Q3 Overview

As lockdown regulations eased in Tanzania, economic and social activity ensued, allowing our team to resume with Gospel Outreaches, our Christian Discipleship Program and School Evangelism while we continued to assist in helping prevent the spread of COVID-19 by distributing **1,000** COVID-Care-Kits including buckets, bars of soap, handwashing containers and COVID-19 prevention posters.

During this last quarter, our Tanzanian team reached out to the villages of Isaka and Ihalo in the Shinyanga district. Despite economic pursuits like farming, poverty saturates these villages. Criminal and sexually immoral activity, prostitution and witchcraft are common practice as villagers find themselves in a desperate search for hope and provision.

It was a pure blessing to share Jesus with them, seeing **3,548** people saved and witness a total of **8,880** souls receiving salvation at our open-air Gospel Outreach meetings, **2,300** during our Door-to-Door Evangelism outreaches, and **900** through our School Evangelism outreaches. We also had the pleasure of having **2,529** people attend our Christian Discipleship Program teachings. Chains were broken and lives set free!

Tanzania

Year to Date Program Summary

7 Rural Gospel Outreaches **30,960** Salvations

3 School Outreaches **1,980** Salvations

5 CDP Centers Established **10,538** Attendees **2,931** Salvations

28 Jesus Film Screenings **17,198** Attendees **3,548** Salvations

81 Pastoral Care Calls

1,150 COVID-19 Care Kits Distributed

Testimony

Door-to-Door Evangelism

As we were ministering the Gospel through door-to-door evangelism in Ihalo village, we passed by a house of a 70-year-old woman named Salome Bangili who had lost her eyesight many years ago. After the Word of God was preached to her, she accepted Jesus as her Lord and Saviour. With this came a miracle of miracles, right before us. Salome wanted nothing more than for her sight to be restored by the Jesus she had learned of, so we prayed over her ... and just like that, we watched in awe, speechless, as God supernaturally healed her, restoring her sight! We give all praise and Glory to God.

-Salome Bangili

Salome Bangili

Testimony

Gospel Outreach

As a 32-years-old woman coming to receive Jesus Christ, she said, “I have never heard the word of God and it has touched my life right here in this meeting. My heart is deeply touched by what was preached here. I have decided to repent and accept this Jesus to rule my life forever.”

Democratic Republic of the Congo (DRC)

Q3 Overview

With the government of DRC easing lockdown regulations, we were able to resume with our open-air Gospel Outreaches and Christian Discipleship Program teachings in the Dikulush and Nsonga villages of Haute Katanga, while taking part to help prevent transmission of COVID-19 by distributing **278** COVID Care-Kits including buckets, bars of soap, handwashing containers and COVID-19 prevention posters.

Although the Dikulush and Nsonga areas are known for their subsistence farming and small businesses, they live in poverty, with no electricity and a lack of clean water. On visiting these villages our team sought to lift morale in these communities after a suppressive period in lockdown, with teachings, praise and worship. During this time we saw many give their lives to Jesus and hand over their strongholds like sexual immorality and alcohol abuse that plagues these villages. Moreover, during this time, many of the villagers experienced the love of God for the first time, leading them to enthusiastically attend the Christian Discipleship Program (CDP) teachings that followed on from the Gospel Outreach meetings.

By the love, grace and mercy of Jesus, the outreaches held in the DRC during the third quarter yielded **16,357** salvations. A total of **2,215** attended the CDP teachings and **2,133** enjoyed an evening watching the Jesus Film.

Democratic Republic of the Congo (DRC)

Year to Date Program Summary

7 Rural Gospel Outreaches **41,100** Salvations

2 School Outreaches **255** Salvations

5 CDP Centers Established **5,900** Attendees **542** Salvations

25 Jesus Film Screenings **6,031** Attendees **494** Salvations

32 Pastoral Care Calls

278 COVID-19 Care Kits Distributed

Testimony

COVID Care Kits

“On behalf of all the servants of God in our village, I want to say thank you to your ministry for thinking of us during this time. The pandemic is real! We have heard that people are dying by the thousands and with this gift, you have helped protect us. God bless you and may he multiply your ministry a hundredfold.”

Testimony

Gospel Outreach

Musadi Christophe is a married, 72-year-old father of 11 children living in the Dikulushi village. He has never attended church or prayed in all his life. When he heard God speak through our ministry, he gave his life to Christ!

Musadi is happily born again and says he is already enjoying the peace of being in relationship with God.

Kenya

Q3 Overview

When the church closed in early March due to COVID-19 regulations, a pillar of spiritual, moral and social support was taken away from communities, creating a sense of hopelessness. To add to this, many people lost their jobs and businesses.

As regulations loosened, our Kenyan team set out to reconnect with the people and churches in Homa-Bay and Migori County to bring hope and encouragement through the Gospel. While regulations did not permit our larger format open-air Gospel Outreach meetings we were able to gather the villagers inside churches or in church compounds to preach, praise and worship. Along with this we continued to support the fight against the spread of COVID-19 by giving out **120** COVID-Care-Kits including buckets, bars of soap, handwashing containers and COVID-19 prevention posters as well as bags of rice to those whose livelihoods were most harshly affected.

To many of these villagers, the Gospel has never made more sense than it does now, so it's been a celebration to witness so many give their lives to the Lord!

Our team have preached to **3,000** people in **120** churches in the Migori County and Homa-Bay areas and visited **58** Prisons where we provided **942** COVID Care Kits for the inmates. We also did **165** church outreaches, attended by **4,648** people and saw **2,716** people give their lives to the Lord!

Kenya

Year to Date Summary

3 Rural Gospel Outreaches **13,386** Salvations

3 School Outreaches **990** Salvations

3 CDP Centers Established **9,327** Attendees **988** Salvations

12 Prison Outreaches **7,703** Attendees **3,701** Salvations

8 Jesus Film Screenings **12,500** Attendees **9,400** Salvations

161 Pastoral Care Calls

1,062 COVID-19 Care Kits Distributed

Testimony

COVID Care Kit

“I don’t know how I can thank the team at Jesus Alive Gospel Outreach for the great love you have for us. At this time of hopelessness, you have remembered us with this donation. God is going to remember Jesus Alive for becoming a blessing to us.”
